JUNIOR LEAGUE
PLAYER DEVELOPMENT PROGRAM**

Junior League Player Development Program:

The RHBL Rep Program is running a nine (9) week 'SPRING TRAINING' development program for players eligible to participate in the upcoming RHBL Junior League club competition and 2015 Junior League Tournaments.

The aim of the Junior League - Player Development Program (PDP) is to help train, develop and prepare players for the new upcoming RHBL Junior League Competition, Junior League NSW State and National Championships in 2015. The high performance training and spring tournament competitions are designed to help you to develop further as a Junior League baseball player.

Although we only have limited available spaces on the program, we strongly encourage all Junior League eligible club players to come to the 'Grading Day' – Monday 8th September at ELS.

Not only will you get the chance to try-out for a spot on the Junior League PDP, but it's also an opportunity to have your individual playing skills assessed and graded by our Rep coaching team. Your player 'grade' may help get you into a club team or division that matches your skill level.

All Junior League players that participate in the RHBL Junior League Majors competition and PDP, are eligible for selection into the Ryde North & Ryde South – ALL STAR teams. A unique opportunity to represent your Association at the NSW State and possibly the Australian National championships. The National champs will go on to represent Australia at the Asia Pacific championships and potentially the Junior League World Series in Williamsport (USA).

Program Details:

Subject to the number of players that attend the grading day, and the final grading results – 26+ players will be offered spots in the Player Development Program.
